## Admissions

### Equal Opportunity

We welcome a diverse student body and academic community regardless of race, color, religion, sex, sexual orientation, gender identity, age, disability, marital status, citizenship, national origin, genetics, or any other characteristic protected by law. See *Non-Discrimination and Harassment* policy at [www.cambridgecollege.edu/non-discrimination-and-harassment](http://www.cambridgecollege.edu/non-discrimination-and-harassment).

### Application for Admission

Apply online at [www.cambridgecollege.edu/applynow](http://www.cambridgecollege.edu/applynow) or request a printed booklet from your admissions counselor. Please mail all admissions materials to your admissions counselor at the Cambridge College location that you plan to attend. See directory at the end of this catalog for addresses.

#### **Your admission file must be COMPLETE and you must be ACCEPTED before:**

- Financial aid may be awarded.
- Transfer credit may be evaluated.
- You may register for courses.

### Rolling Admissions

Cambridge College practices a rolling admissions policy. Applicant materials are processed and reviewed as they are received. Students are then notified of their admission on a continual basis, as their file becomes complete and reviewed. Please allow 1-2 weeks for processing.

(Please note: Cambridge College reserves the right to deny a student admission. Submission of all required materials does not guarantee admission.)

### Admissions Materials

Cambridge College requires all admission materials to be submitted and reviewed in order for a student to be accepted and register. See full policy at [www.cambridgecollege.edu/admission-material-policy](http://www.cambridgecollege.edu/admission-material-policy).

**Admissions documents must be submitted in English.** However, applicants to the Puerto Rico Regional Center may submit the current *résumé*, personal statement and professional references in Spanish.

All materials become the property of Cambridge College and cannot be returned to the student. Access to these materials is limited under the Family Educational Rights and Privacy Act of 1974 (FERPA). Submitted reference letters that have been designated confidential will not be available to the student.

**Keep copies** of your completed application and other items you submit. Application materials may not be returned, duplicated for personal use, or forwarded.

**All completed application materials are kept on file** for one year after submission and can be reactivated during this period if a student chose not to enroll at the time of submission. The application process must be completed in order to be reviewed for acceptance. Applicants can choose to defer their application file for up to three terms (no longer than one year). After one year, documents are purged. Interested applicants will need to reapply.

Students accepted into a degree or certificate program will find academic advising resources listed on their academic record that they can access through the MyCC web portal.
